## DON'T MESS WITH YOUR OLDER ELDERS

An old physician, Doctor Gordon Geezer, became very bored in retirement and decided to re-open a medical clinic. He put a sign up outside that said: "Dr. Geezer's Clinic Get your treatment for \$500 - if not cured, get back \$1,000."

Doctor Digger Young, who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get \$1,000. So he went to Dr. Geezer's clinic.

Dr Young: "Dr. Geezer, I have lost all taste in my mouth. Can you please help me?"

Dr Geezer: "Nurse, please bring medicine from the box 22 and put 3 drops in Dr. Young's mouth."

Dr Young: 'Aaagh! -- This is Gasoline!'"

Dr Geezer: " Congratulations! You've got your taste back. That will be \$500."

Dr Young gets annoyed and goes back after a couple of days figuring to recover his money. Dr Young: "I have lost my memory, I cannot remember anything."

Dr Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."

Dr Young: "Oh, no you don't -- that is Gasoline!"

Dr Geezer: "Congratulations" ! You've got your memory back. That will be \$500."

Dr Young (after having lost \$1000) leaves angrily and comes back after several more days. Dr Young: "My eyesight has become weak --- I can hardly see anything!"

Dr Geezer: "Well, I don't have any medicine for that so, "Here's your \$1000 back" (giving him a \$10 bill).

Dr Young: "But this is only \$10!"

Dr Geezer: "Congratulations! You got your vision back! That will be \$500."

Moral of story -- Just because you're "Young" doesn't mean that you can outsmart an "Old Geezer".
